

9700 Picture Window

The timeless 9700 Picture Window with attractive colonial brick mold beautifully frames your view while providing optimum thermal performance, keeping extreme temperatures out of your home. Its strong fusion-welded construction, dual weather stripping, insulated glass and multi-chambered frame all provide energy efficiency and seal out the elements.

Colonial brick mold lends attractive, classic profile.

Fusion-welded construction provides a strong, weathertight seal.

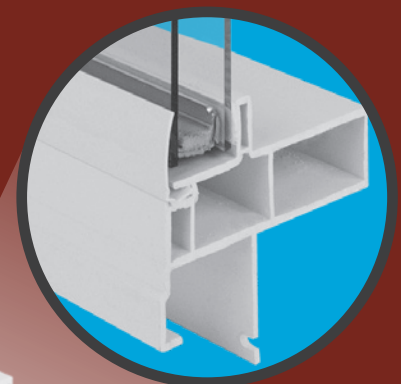

AAMA and NFRC Certified Performance
Energy Star Qualified
CSA Listed, National Building Code of Canada 2010 Compliant
